### COLA BLAST

All of those other brands have nothing on XS Cola Blast! Offering the traditional refreshing taste of cola with a powerful Vitamin B Blast and only eight calories!

### TROPICAL BLAST

Passion fruit, peach and pineapple flavours swirl in a carbonated tsunami of B-vitamins to energize your body and mind without storing fat from calories or sugar.

### CAFFEINE-FREE TROPICAL BLAST

For a pick-me-up any time of the day, give our caffeine-free Tropical Blast a shot. Same refreshing blend as Tropical Blast without the extra boost for our caffeine-sensitive friends.

NEW

### TEA-BERRY BLAST

Green and black tea with a hint of raspberry all combined to deliver you a great source of energy boosting B-vitamins, antioxidants and no sugar that will spark you up and get you moving.

NEW

### GRAPE-BERRY BLAST

Blast off with a mouth watering explosion of grape berry flavour! It's the perfect flavour for people seeking a powerful pick-me-up without the added calories and carbs.

### CITRUS BLAST

A powerful infusion of orange, lemon, and lime designed to boost your energy levels into high gear, without the jittery side effects and crashes of typical energy drinks.
