### **AMWAY STAYS IN THE HILLS**

More than 700 people attended Amway's grand opening weekend at 7-9 Irvine Place, Bella Vista. Amway has relocated from their old premises at Castle Hill.

The move is a \$2 million investment in Amway's future and located only 5 minutes from their previous location.

"We have been in the same building for almost 40 years now, so it was time for an upgrade to a more modern and environmentally friendly building," Michial Coldwell, General Manager of Amway Australia and New Zealand, said today.

"We are delighted to be staying in the Hills area as we have built strong relationships within the community. Many of our employees live in the local area and we have long standing relationships with local suppliers."

Amway's relocation follows last year's opening of our new, high tech warehouse in Eastern Creek and a new Amway Store in Chatswood.

Amway has proudly supported the local community for many years, including recently:

- \$10,000 for vital school equipment at St Gabriel's School in Castle Hill;
- \$154,000 for the Children's Hospital at Westmead; and
- \$70,000 to HeartKids Australia.
