Amway[®]

Come and join our Mums and Bubs session packed with fun and knowledge in an engaging environment. This session is informal where you can feel comfortable to ask questions about our products and services while the kids play in the background.

We're bringing you "back to basics". The session will run for 2 hours and the below topics will be discussed or demonstrated by our experts in the field. Complimentary Tea & Coffee with light snacks will be available.

Come and join us every Wednesday morning from 10:30am – 12:30pm (2 hr training program) and is **FREE**.

- **Introductory Makeup lessons - 30 minutes**

This fun and informative session will teach you the basic principles of how to select and apply all background makeup, eye and cheek colours and important techniques for their application. Tamara, our Beauty Consultant, will work with the audience and teach them what they would like to know. This is an open session and we encourage on the spot questions or looks that you would like to see our Beauty Consultant demonstrate.

- **Introductory Skin Care - 20 minutes**

A great introduction to understand the skin and assessing which products suit which skin types.

- **Introductory to Amway Home - 20 minutes**

Learn about our concentrated products and how to build this into your everyday household and business.

- **Learn how to make easy, quick and healthy snacks - 30 minutes**

Michele will demonstrate how easy it really is to prepare quick and healthy snacks for any occasion.

- **Introduction to Health & Wellness - 25 minutes**

Our qualified Naturopath will discuss varied Health & Wellness topics.
