- NUTRIWAY PhytoPowders come in three delicious flavours, two formats and one great way to stay hydrated. Just pour, mix and go for a convenient solution to help you stay hydrated and healthy all day long.

Why NUTRIWAY PhytoPowders?

Our phytonutrients are derived from plants that are grown on Nutrilite's farms, using sustainable, chemical-free methods and are carefully packaged and shipped soon after production to maintain quality and potency.

NUTRIWAY PhytoPowders:

- Are available in three great flavours: Defend Cherry, Refresh Lemon and Electrolyte Orange.
- Contains eight essential B vitamins, which are necessary for the formation of energy in the body.
- Contains 3g of fibre per serve, contributing to the recommended daily allowance of fibre.
- Are delicious and refreshing, making fitting water into your life easier.
- Dissolves quickly for an easy to mix, on-the-go beverage solution.
- Sweetened naturally with sugar derived from corn and fructose, offering a low calorie beverage.
- Contains no artificial colours, flavours, sweeteners or preservatives.

Who should use NUTRIWAY PhytoPowders?

Anyone who:

- Struggles to drink 8 glasses of water each day.
- Are looking for a delicious but healthy drink to make hydrating more enjoyable.
- Are leading a busy lifestyle and are looking for a convenient way to add extra nutrients into their diet.
- Are not interested in traditional nutritional supplements, but still want an easy way to consume essential nutrients that may be missing in their diet.
