HOW AMWAY HOME COMPARES?

Amway Home promises products that are powerful, concentrated, economical, biodegradable, environmentally gentle and dermatologist tested.

Amway Home products, outperform the competition with its own patented technology developed by more than 400 scientists and engineers.

Over 40 Amway Home care formulae now carry the US Environmental Protection Agency's Safer Choice Program (formerly Design for the Environment [DfE]) certification.

Amway's highly concentrated products use up to 18 times less packaging than the competitors. Amway products are safe for your home, safe for your family and better for the planet.

BACKED BY AMWAY'S 90 DAY 100% CONFIDENCE GUARANTEE.
