

InBody BAND Fitness Device Comparison

The InBody BAND is a device that tracks your heart rate, steps, sleep and calories to name a few. It is integrated with the BodyKey app which acts as your personal coach providing you with meal and exercise advice on your weight management journey. The InBody BAND is also the first fitness tracker that comes with an in-built body composition measurement. Together, these tools offer you a personalised and seamless experience on your weight loss plan to success with BodyKey®.
